Add **-R** after Product No. for Recycled Plastic.

Model HBSS, Model HCS, Model HCPS, Model HBS

The Dixie Pup

- **Affordable protection against accidents.**

The majority of column damage happens between 4" & 6" from the floor -- the Dixie Pup will deliver adequate protection at a fraction of the cost. Lower profile allows for fire extinguishers to be hung on the same column at the height required by OSHA. FOB Shipping Point.

Now Available in Recycled Green! Made from 100% Recycled Plastic
