These durable polypropylene / polyethylene bins feature a molded in label holder, built-in rear hanglock which allows bins to tilt out for complete access when on shelving. A wide hopper front allows complete access to the contents of the bin. Edges are reinforced for added strength. They are designed for 12", 18" and 24" deep shelf units, racks or standard shelving. Bins are waterproof, impervious to most chemicals and unaffected by grease or oil. Available in Blue, Yellow, Red, Green, Ivory and Black.
