

Ambassador

Direct-drive motorized screen with ceiling closure.

The Draper Ambassador is a direct-drive, heavy-duty screen with an end-mount motor designed specifically for recessed installation above any type of ceiling. The Ambassador features a fully automatic ceiling closure, which totally conceals the screen when not in use. Closure doors can be covered with ceiling tile with extended hinge case construction to match your existing ceiling. Your choice of a conventional viewing surface: Matt White, Glass Beaded or High Contrast Grey. Available in AV Format sizes from 50" to 12' wide.

System Options

- **Extra Drop**—Up to 12' overall height, either surface color or black. (Surface color is standard).
- **Black Masking Borders**—optional.
- **Formats**—Available in AV, NTSC, and HDTV projection formats.
- **Control Options**—Refer to page 4.

Dimensions, drawings and specifications available at: www.draperinc.com/go/Ambassador.htm
