

Automotive & Miniature Lamps

EIKO's line of original equipment headlamps and miniature indicator and accent lamps were designed to meet or exceed the performance of your vehicle's original lamp. Manufactured to exacting standards, they feature top quality components and are guaranteed to perform like the original. Our metal-based lamps also feature an industry-first, nickel-plated brass base which prevents corrosion and ensures performance. Additionally, each and every lamp is quality tested before it leaves the factory.
