

## Interfaces

Decorative and convenient cable entry points. Wall plate and under table mounting options with passive and equalized signal processing.

## Intelli-Tools NEW

A full selection of multi-purpose utility modules to fit virtually any design application. These high quality devices can be controlled via contact closure or serial input. A great addition to any AV designers or contractors toolbox.

## Intelligent Plate Solutions

The IPS family of interconnect solutions offers a comprehensive selection of accessories, available in white, ivory or black. Simply select a plate that fits your application and available space. Then select your internal connector plate. IPS Plates come with a lifetime warranty.

We offer FREE standard labeling.

Visit our web site and drag and drop your solutions with IPS Designer.

## Ceiling Boxes & Wall Enclosures

Now you can remove the unsightly equipment boxes hanging off projector poles and mount them in these architecturally-designed ceiling enclosures. Many styles, various price ranges, and "Smart and Green" modules make these boxes perfect for classrooms, boardrooms, meeting rooms and public spaces. These are your equipment racks for ceilings and walls.

## Power Switching

IT-SAC-WP Remote Control AC Outlet Switch

## Table & Wall Boxes

**TABLES** - A wide variety of table boxes that are unique and upscale, meeting the aesthetic demands of today's consultants, architects and clients. Brass, black, bronze and nickel finishes, a variety of sizes, shapes, and accessories are available from stock.

**WALLS** - Connections on the wall become safe, simple and secure using an FSR wallbox.

## SmartFit™ (Poke-Thru)

**"It's Not Just Power Anymore!"**

FSR SmartFit is an innovative system that provides flexible AV solutions for fire rated "poke-thrus". The SmartFit system features a universal cover assembly and multiple sub-plates that install on the fire rated "poke-thru".

NOW AVAILABLE IN 4", 6" & 8" SIZES.

## Fire-Resistant Boxes

Our new Fire-Resistant floor solutions expand the versatility of our floor box line by providing enhanced, fire-resistant versions of our existing products. Our FRK kits are UL listed and comply with UL 263 Fire Resistance Ratings.

## Floor Boxes

**FLOORS** - A unique variety of boxes to handle stage, raised access, poured concrete or retro-fit flooring applications. FSR matches the décor of your installation with solid construction, beautiful carpet rims, flanges, and available accessories.

# Room Control Systems

**NEW**

FSR makes room control user friendly and cost effective!

## Wall Mounts & Chargers for iPad® Mobile Digital Devices

**The Perfect PoE / USB Charger**

You can power and charge the iPad from a PoE-Ethernet drop without the need for AC line power. Mount this small cube in a 2-gang wall box behind the FSR IPD wall mount. The PoE / USB Charger will also notify the iPad that it is connected to a charger avoiding annoying pop-ups.

© iPad is a registered trademark of Apple Inc., registered in the US and other countries. The products contained on these pages are not endorsed by or affiliated with Apple Inc.

The IPD Wall Mounts are designed for strength, practicality and elegance, and fit the iPad® 2, the iPad® Mini and the new iPad®. There is no visible hardware. Standard colors are silver and black. As an added value we will print a client logo on the front, FREE with orders of 10 pieces or more.
