

Veil® wall-hung toilet with
Reveal, Q3 seat (K-6299-7)
Dual-flush actuator (K-6298-7)

Residential Wall-Hung Toilets

Featuring dual-flush actuators and concealed tanks

THE BOLD LOOK
OF **KOHLER**®

Space-Saving Clean KOHLER® residential wall-hung toilets

Space-saving

With a concealed tank, minimal footprint and installation flexibility, a wall-hung toilet in the home can save up to 12 inches of space over our longest floor-mount models

Easy to clean

A wall-hung toilet makes it simple to clean beneath the bowl

Concealed design

The in-wall tank and carrier system is completely concealed for a clean, seamless look

Water-saving flush

The dual-flush actuator lets you choose between a 0.8-gallon flush for light waste and a 1.6-gallon flush for bulk waste—saving water without sacrificing performance

Custom height

The durable steel frame brackets are installed behind the wall and provide unparalleled installation flexibility—allowing the bowl to be set anywhere from 15¾ inches to 28½ inches from the floor to accommodate a range of statures

Low-hassle maintenance

The actuator plate can be removed for access to the inner tank components

Simple ordering process

1 Choose your bowl

- Veil® with Reveal® Q3 toilet seat* (K-6299)

- Veil (K-6300)** with C³.-201 bidet toilet seat (K-4744)*

2 Choose your in-wall tank and carrier system

- 2" x 4" in-wall tank and carrier system (K-18829-NA)

- 2" x 6" in-wall tank and carrier system, and dual-flush actuator in Polished Chrome (K-6284-NA)

3 Choose your dual-flush actuator

Compatible with 2" x 4" in-wall tank and carrier system:

-  Bevel™ (K-8857-CP)
-  Droplet™ (K-4177-CP)

Compatible with 2" x 6" in-wall tank and carrier system:

-  Actuator* (K-6298)

Residential wall-hung toilets are WaterSense and ASME/CSA compliant.

WaterSense®-labeled toilets use at least 20% less water than standard 1.6-gallon toilets while still meeting strict flushing performance guidelines.
