

SmartCard Deluxe VTM

The Deluxe VTM Was for Many Years the Industry Standard.
It Accepts Cash to Add Value and to Dispense SmartCards

For many years the Deluxe VTM has been one of ESD's most popular value transfer machines for Laundromats. The Deluxe VTM is designed to add value to SmartCards and dispense SmartCards with cash. It is bi-lingual (Spanish and English) and has four large buttons to make it very user-friendly for both customers and operators. The Super Manager card allows visual audits and set up functions. The Data-Trac™ feature permits customer card serial number tracking up to 5,000 transactions.

Front Access — 11-117-004
