ARM offers Rotobec Elites series Grapppler Cranes. The ELITE is without question the toughest, most versatile, longest lasting knuckle boom loader of its size. The 3,200 psi operating pressure allows the ELITE loaders to achieve unmatched levels of precision making them a dream to operate. Whether you're a rookie or a seasoned vet, these loaders will make even the most inexperienced operator look like a pro.

The lightweight design of the ELITE series, combined with an incredible 8,770lb (910)/10,960 (915) lbs max lift capacity make these two loaders the undisputed heavyweight champions in their weight class. Lift more with less than you ever imagined.
