

Specialty

Tiger Shears

Tiger Tree Shear can cut tree limbs up to 12" in diameter. Mounts to any Tiger boom.

Wheel Loader Boom

Wheel Loader Booms come in several sizes. Easily attaches to front of Wheel Loader.

Truckat

Truckat is a Boom Mower mounted to a HD truck bed. Cuts brush and grass, then drive quickly to your next job site.

Attachment

Claw

Tiger Claw is engineered to reclaim aggregates from your road side.

Ditcher can be mounted to most side mounted mowers.

Ditcher

Tiger Auger attachment turns our standard boom into a post hole digging machine.

Auger

Snow Panther, built to tackle those hard to reach snow areas.

Snow Panther

Saw Blade

Saw Blade provides a smooth pleasing cut. Mounts to 50" Rotary head.

WetCut attaches to Rotary or Flail head. Gives you the ability to deliver herbicide for grass and weeds while mowing.

Wet Cut

Genuine Tiger OEM Parts

Since 1968, Tiger has engineered and manufactured Tiger products that meet ASTM safety guidelines. Contact your local Dealer today and ask about purchasing a Tiger mower or Tiger OEM parts. Our parts last longer, are more durable and designed and built to fit your Tiger mower perfectly.

Tiger Corporation reminds everyone that the use of genuine Tiger replacement parts will keep your Tiger equipment productive with the least amount of downtime. Tiger authorized Dealers are the only locations to purchase genuine Tiger parts. Standard warranty is one year unless extended warranty is purchased prior to delivery, the warranty requires the use of genuine Tiger parts or the warranty may be void.
