**Cherrington Screeners remove everything larger than the selected screen hole size while immediately returning the sand to the surface.**

**This process allows for fast and efficient removal of unwanted waste and results in sanitary compounds for the animals.**

The Cherrington Model 5000's high lift hopper can either ground dump in piles like this or load directly into trucks for hauling away.

## The Results

The Cherrington Model 5000 removes as much waste in less than an hour than the manual labor crew at this dairy did in a full day's work.
