TITAN Wireless Portable PA

Compact, All-in-One Presentation Powerhouse

- **FULL RICH SOUND:** Powerful 100 watt amplifier, built-in 8" bass speaker and 4" tweeter, reach audiences up to 2500, in room sizes of up to 10,000 square feet in optimal conditions.
- **CONVENIENCE:** Built-in storage compartment and protective cover (included) keep everything together, organized and ready to roll.
- **ENDURANCE:** Rechargeable battery keeps the power flowing for up to 10 hours on a single charge. (AC power cord also included.)
- **CONNECTION AND CONTROL:** A full complement of input/output jacks and controls assures you can connect with and control microphones, speakers, and media players.
- **BLUETOOTH WIRELESS TECHNOLOGY:** Stream audio wirelessly from your smart phone, tablet, or any other Bluetooth enabled device or play CDs and media from flash drives and SD cards with integrated electronics.

Control, convenience and full, rich sound—the AmpliVox TITAN has it all!
