OF EDUCATION

# 10-Position Stereo Jack Box

## Model 1210AVPS

**The key to listening centers is the jackbox, the distribution point to the headphones. Califone gives more attention to this stereo jackbox with silver-plated contact points for a solid connection and moisture resistance, individual volume controls, rugged ABS plastic housing for durability, 1/4" and 3.5mm plugs.**

1. Ten 1/4" learning positions, each with individual volume control large enough for most groups
2. Rugged ABS plastic casing for durability and school safety
3. Permanently attached 6' cord with 1/4" and 3.5mm plugs connects with media players
4. Silver-plated contacts prevent "crackling" sound heard with other jackboxes when connecting
5. Skid-resistant pads at each corner won't mar or scrape surface
6. Two predrilled holes to permanently affix jackbox
  - Ideal for Listening Centers, literacy groups, ELD/ ELL and Special Education applications, call center training and Language Labs
