

# Model **CD360** | *Personal CD Player*

8200-HP digital stereo headphone included

The Califone CD360 Personal CD Player is built to withstand the rigors of everyday classroom usage. Unlike CD players designed for occasional home use, the CD360 is built for day-in and day-out usage by students of all ages. That's why the CD360 is made of shatter-proof ABS plastic for safety and durability. The CD360 supports differentiated language learning, enabling students of all abilities to listen and study at their own pace.
