

Model **1017AV** | *NeoTech™ Plus Series Headphone*

The NeoTech Plus 1017AV is a versatile, workhorse headphone for general-purpose classroom usage with mobile devices. The 1017AV delivers performance at a cost-effective price for 1:1 learning, assessment testing and more. Its audio playback is calibrated to enhance the tonal range of the human voice in language learning, library uses and in computer labs. Compatible with tablets, smartphones, Chromebooks, laptop and desktop PCs & Macs, it provides the versatility you need for BYOD and school-issued device requirements in the classroom.

Durable CaliTuff™ Cord

The 1017AV features a highly durable CaliTuff™ cord made of braided, PVC-jacketed material that resists chewing and cutting. The CaliTuff™ cord design includes a reinforced earcup entry point that resists stress separation.

Hygienic Packaging

The 1017AV comes in a heavy gauge plastic zip lock bag with personalized labeling area that promotes classroom hygiene by isolating head lice while providing utility for storage when not in use.
