

W480 SENTRY MOBILE WORKSTATION

Excellent for use as a portable Sentry Mobile Workstation where a checkpoint is needed at a moment's notice. Can also be used in classrooms, conference rooms and training rooms, as well as manufacturing /warehouse environments.

- Heavy duty steel welded construction combines durability with clean, simple design.
- Unique height adjustable work surface accommodates users' of all heights.
- The semi-gloss, smooth textured, powder coated surfaces resist chipping, scratching, fading and wear longer than any standard paint finish. Solvent-free powder coating is the "greenest" paint technology for metal products.
- Moves and turns easily, with four large, heavy duty, locking casters
- Has Height adjustable work surface and two adjustable height storage shelves
- Internal wire management- 7- 2" diameter holes with rubber safety grommets
- 4" Non-marring, ball bearing swivel casters, ALL locking.
- Made In USA, with no assembly required!
- 49" H x 30" W x 20" D
