

VEHICLE PAs

Take your message on the road, projecting your voice and music from your car, truck, boat, or other vehicle. The horn PA systems securely mount to the roof of your vehicle with straps and suction cups. Quick to install and setup in four easy steps, the car PA systems are simple to use yet powerful in design.

Loudspeaker systems feature a wired or wireless microphone as well as options to project audio from your iPod, CD player, or other audio devices. Weather resistant. Be clearly heard up to a Half-Mile range nearly nine football fields away.
