

AKRON

FIREFIGHTING EQUIPMENT

DECKMASTER™

DECKMASTER™

The DeckMaster Electric Remote Controlled Monitor from AKRON®, allows better personnel utilization and greater stream coverage with faster deck gun deployment.

FEATURES

- Automated elevation deployment provides ease of operation over obstructions while eliminating the need for extra extensions or telescoping pipes
- Remote operation eliminates the need to have a fire fighter on the deck to operate the monitor
- Flows up to 1250 gpm (4800 lpm) for greater knockdown
- Horizontal rotation 344°
- Vertical travel 90° above to 45° below horizontal
- Stowage position set easily by the end user
- Pump panel control standard
- Automatic drain for freeze protection
- Coated electronics to resist corrosion
- Cast-in turning vanes for more efficient flow
- Tether control optional

Deployed

Remote DeckMaster operation.
