Vault™ Kitchen Sinks
Sleek. Stylish. Stainless.

THE BOLD LOOK
OF **KOHLER®**

Vault™ Kitchen Sinks

Vault kitchen sinks feature premium 18-gauge stainless steel, tightly angled corners to maximize bowl space and a sloped bottom that helps with draining and cleanup. The Self-Trimming® design on farmhouse models overlaps the cabinet face, eliminating potential gaps in the cabinet and improving installation. Vault sinks are available in a variety of configurations with top-mount, undermount and dual-mount installation options.

Durable

Constructed of superior-quality 18-gauge stainless steel

Quiet Performance

SilentShield® sound-absorption technology offers quieter performance

Bottom Bowl Rack Available

Protects the base of the sink from everyday wear and tear

Rear-Oriented Drains

Provide larger working area in the sink and more room within the cabinet

Deep Bowl

9" bowl depth accommodates large cookware
