

# URBANITE™

## Ideal for Crowd Control and Pedestrian Safety

*The Blow Molded Connectors Provide Strength and Security*

**Orange Urbanite Pedestrian Barricade**  
57000-UO

**White Urbanite Pedestrian Barricade**  
57000-UW

*Legs out for use*

*Legs in for storage and transport*

*Stacks easily for transport and storage*

- Two legs deploy quickly for fast set-up.
- Leg turns parallel to wall for storage and stacking.
- Made of UV stabilized, high density polyethylene, the linkable Urbanite™ Walls quickly and easily link together in 6 foot sections.
- Weighing only 23 lbs., yet durable, non-flexible and strong
- Lightweight design makes the Urbanite easy to lift on and off the truck and easy to connect.
- The ten molded-in vertical windows reduce wind load, add strength and stability, and reduce overall weight of the Urbanite.
- Two recessed areas measuring 8" wide x 53" long on each side of the Urbanite accommodate sponsorship or advertising of your event.
- Standard colors are orange and white. Custom colors also available upon request.
- The Urbanite is available with the optional Step-N-Deploy leg set for ADA Compliant applications.
