

TrafFix Aluminum Buster™ Sign Stand

Lightweight and easy to carry, the Aluminum Buster Sign Stand weighs only 28 pounds and is MASH tested, passed and eligible with TrafFix roll-up signs. Step-N-Drop® legs minimize exposure time to oncoming traffic and enable stand set-up in seconds without bending over or stooping down. All aluminum construction resists rusting. Telescoping mast with adjustable rigid or roll-up sign brackets allow for variable sign height adjustments. Dual spring mounted base for added stability during high winds. A two position leg adjustment allows all four legs to be individually adjusted for uneven terrain. Flag holder will accept standard 3/4" diameter wooden or plastic dowel flags.
