

46000 SERIES

Traffix Looper-Cones®

The Looper-Cone is a 42", all plastic cone and is ballasted by a 10, 16 or 30 lb. base. Simply drop the recycled rubber base over the cone stem and you're ready to go to work.

LOOPER-CONES®

Looper-Cone with convenient handle design allows for easy movement and placement.

Looper-Cone will accept a standard or "D" cell barricade light.

Looper-Cones linked together with cone bars to restrict entry.

Stackable Looper-Cone with the patented reinforced handle design can be stacked without sticking together – the durable low density polyethylene plastic keeps the cones shape, reducing crushing and breaking.
