## *Shagreen Design*

Inspired by oil spot glazes, the Shagreen collection celebrates the subtle coloring and distinctive pebbled texture of natural shark and ray leather. A striking compliment to both Carillon® and Caxton® bathroom sinks, its rich glazed finish shows iridescent pearly tones and a gently granulated texture.

## Sartorial™ Design

The Sartorial collection exemplifies elegance etched with artistry. Available in two distinct designs, Sartorial pays homage to two of the most iconic textile patterns of their eras—herringbone and paisley. Herringbone strikes a retro-nouveau note while paisley draws upon its timeless Persian charm. Pair either design with Carillon® or Caxton® bathroom sinks.
