Charge 'n Roll™
Portable Charging Station

Charge 'N Roll™ Portable Charging Station

Meet Charge 'N Roll™, the most convenient, compact, durable transporting, storing and charging case for tablets and mobile phones!

With its custom foam interior slots and cover, Charge 'N Roll™ safely and securely stores and transports up to 15 tablets sized 9.4" x 6.67" x 0.24" or below and mobile phones. The number doubles to 30 when storing mobile phones only.

Designed to make charging a snap, Charge 'N Roll™ plugs into an outlet and powers the USB 2.0 ports with LED light indicators for standby/charging mode, located along the rim for each of the 15 storing slots. The built-in whisper-quite fan ventilates and cools the unit for optimal usability and prevents overheating damages.

Built for easy mobility, Charge 'N Roll™ has a rugged tough exterior, two easy-glide wheels and a retractable pull handle. With four secure latch locks (two of which are padlock capable), Charge 'N Roll™ will be your most trusted transporting, storing and charging case for years to come!
