

Be Right™

8362 sc High Purity Sensors

pH and ORP sensor for high purity, low conductivity applications, ideal for the power, pharmaceutical, and electronics industries.

This instrument connects to Claros, Hach's innovative Water Intelligence System, enabling you to seamlessly connect and manage instruments, data, and process – anywhere, anytime. The result is greater confidence in your data and improved efficiency in your operations. To unlock the full potential of Claros, insist on Claros Enabled instruments.
