# **Static Shielding Bags**

This static shield bag offers total ESD protection, whether you're transporting ESD-susceptible products across the room or across the country. The outer layer of the bag consists of an abrasion-resistant polyester, while the antistatic polyethylene inner layer retards triboelectric static charging from inside the bag.

### Part Number/Price

| Part# | Description                          | Price       |
|-------|--------------------------------------|-------------|
| 16150 | Static shielding bags, 8 in x 10 in  | \$1.10 each |
| 16151 | Static shielding bags, 12 in x 18 in | \$3.25 each |

## **Static-Safe Service Kit**

### **Standard Features**

- · Eliminates static for safe board replacement
- Connects a field service technician and the static-safe work surface to the same ground point
- Harmlessly drains static charges from the body and from any conductive objects placed on the mat
- Folds into a compact unit for transport and storage
