Shown on Cover: SWUF13020CBWH

The timeless look of fireclay is at home in any décor from traditional to contemporary.

Fashionably Functional

Farmhouse apron front sinks make a style statement because the beautifully finished material extends to the front of the sink, running alongside lower cabinets.

Reversible Design

Elkay® elevates style to the next level with our reversible farmhouse sinks that allows you to select between two design statements. These sinks can be installed with either a traditional flat front or with a decorative band across the top.

Workstation

Built-in ledge lets you work over the sink, saving precious counter space. Sink includes a walnut cutting board to help you go from meal prep to clean up in seconds.
(Select models)

Easy to Clean

Glossy and matte surfaces are easily cleaned.

Bottom Grids

Custom-sized grids have properly positioned drain openings to cover the bottom of Elkay sink bowls.

Strength

The finest fireclay is fired at high temperatures for long-lasting durability that is scratch and stain resistant.

Quiet

Thick material naturally minimizes sound for a quieter time at the sink.

Beautifully Finished

Fine fireclay material is handcrafted and finished with smooth surfaces.

Drain Fittings

These sinks use standard drain fittings; sold separately.

Aqua Divide™

Low center wall allows pan handles to extend over the middle, and makes it easy to wash large items, like baking sheets, over both bowls.
