THE BOLD LOOK  
OF **KOHLER**<sup>®</sup>

## Modern Style, Clean Design

The Tempered® kitchen faucet collection, with its clean, fluid lines, offers minimal ornamentation and a thoughtful mix of details to complement a range of kitchen designs.

The collection includes pull-down, semi-professional, and bar faucet configurations in a range of four durable and popular finishes.

## Finishes

The Tempered kitchen faucet collection is available in four finishes. Every KOHLER finish resists corrosion and tarnishing for enduring beauty.

## Form Follows Function

The Tempered kitchen faucet collection offers a range of faucet styles to suit both space and functionality demands for the kitchen.

## Easy Control

Three-function, pull-down sprayhead allows you to switch from stream to Sweep® spray to Boost technology with just the touch of a button. DockNetik® magnetic docking system locks the sprayhead in place when not in use.

## The Right Spray

Tempered kitchen faucets feature an aerated stream that's great for everyday tasks. In addition, Sweep spray offers specially angled nozzles forming a wide, powerful blade of water that sweeps your dishes and sink clean.

## Added Efficiency

KOHLER® Boost technology quickly increases the rate of the water flow by 30%, with the touch of button—ideal for filling pots and containers fast.
