THE BOLD LOOK
OF **KOHLER**®

KOHLER Oil-Rubbed Bronze

The craftsmanship of old world artisans is called to mind in the distinctive hints of copper beneath this hand-brushed finish. Alive with both depth and texture, there is no doubt KOHLER Oil-Rubbed Bronze deserves to be the centerpiece of any kitchen or bath design.

KOHLER Oil-Rubbed Bronze (2BZ) will be available on nearly 400 SKUs in 2012 across bath and kitchen faucets, showering components, accessories and fittings. And Oil-Rubbed Bronze coordinates across a wide array of door and cabinet hardware, making it easy to complete the look of any kitchen or bath with one beautiful finish.
