**Avoir™** Comfort Height® Tankless Toilet

THE BOLD LOOK  
OF **KOHLER®**

## Avoir™ Comfort Height® Tankless Toilet

Every detail of the Avoir tankless toilet has been thoughtfully designed to perfectly balance meaningful functionality with inspired aesthetics to deliver a statement piece for the bathroom. Blending leading-edge design with the latest flushing technology, the Avoir tankless toilet is unlike anything before it.

### The Beauty of Innovation and Design

Elegant simplicity and innovation blend together to set Avoir apart, creating a legendary experience that complements any bathroom.

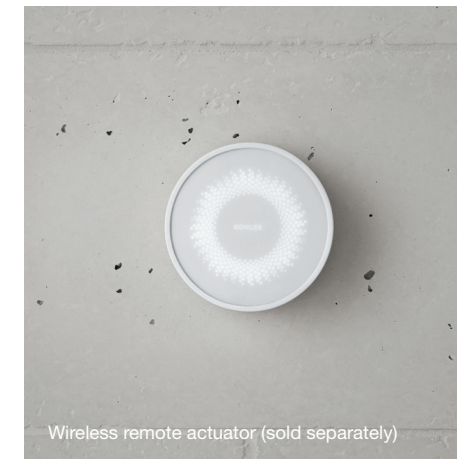

### Quad-Jet Flushing Technology

Kohler's innovative patented tankless flushing platform combines rim-jet swirl flushing technology with a Quad-Jet flush engine for a powerful flush.

### Custom Flush Options—Coming Soon

Upgrade your flush experience with the optional wireless remote actuator, sold separately. This technology allows for placement anywhere in the bathroom, putting control where you need it.

The manual flush button is concealed on the side of the toilet for functionality that seamlessly blends into the smooth, skirted toilet design.

Wireless remote actuator (sold separately)

### Quiet-Close™ Lid and Seat

Lid and seat close slowly and quietly without slamming.

### Integrated Flush Button

Flush actuator button is built into side of toilet, for concealed yet intuitive use.

### ReadyLock® Installation

Patented installation method eliminates the need to drill into the floor for a standard 12" rough-in.

### Contemporary Aesthetic

Sleek, modern design seamlessly blends with a variety of bathroom styles.

### Skirted, Tankless Design

Unique curved, tankless design creates smooth sides that are easy to clean.

### Battery-Operated

Requires no electrical outlets to use.

SKU	Description	Rough-In	Gallons per Flush	Bowl Shape	Color
K-46006-0	Avoir Comfort Height Tankless Toilet 	12"	1.28	Elongated	White
K-46035-0	Wireless Remote Actuator (Available Soon) 	—	—	—	White

WaterSense®-labeled toilets use at least 20% less water than standard 1.6-gallon toilets while still meeting strict flushing performance guidelines.

All products displaying this symbol or stating "ADA-compliant" will comply with the Americans with Disabilities Act when installed per the requirements of the 2010 ADA Standards for Accessible Design, Section 604 (Water Closets), of the Act.

\*The Avoir Comfort Height tankless toilet meets ADA standards when paired with the wireless remote actuator or when the left side of the toilet is accessible per ADA guidelines.
