## FORM

What's your faucet style? Do you need a high-arch spout to accommodate large cookware? Do you prefer to operate the faucet with a single handle or two handles? Do you want a simple yet elegant design or are you a home chef who wants the look of a professional kitchen?

Choose a pull-down or pull-out model for all-in-one function, or select a wall-mount faucet to keep the countertop clear. Many models are available in multiple sizes to pair with different sink sizes and kitchen task areas.

### *Pull-Down, Pull-Out, and Semi-Professional Faucets*

#### **Pull-Down**

- Great range for easy prep and cleanup
- Generous spout height
- Multiple sprays
- Eliminates the need for a separate sidespray
- Touchless technology in some pull-down faucet models allows you to control your faucet with the wave of a hand, utensil, or dish so you don't have to worry about germs spreading to the rest of the kitchen

#### **Pull-Out**

- Allows for easy control over faucet and spout
- Available with multiple spray functions
- Larger section of faucet pulls away
- Eliminates the need for a separate sidespray

#### **Semi-Professional**

- Inspired by professional kitchens
- Easy-to-clean coated hose and removable coil
- Elegant designs with exceptional ergonomics

### *Standard Spout Faucets*

#### **Single-Handle**

- Volume and temperature are controlled by a single lever
- Lever is located on the faucet or next to it

#### **Bridge**

- A new interpretation of a classic design
- Two-handled with a generous swing spout
- Many designs are available in both deck- and wall-mount models

#### **Wall-Mount**

- Reduces countertop clutter
- Makes for easy cleanup around the sink

### *Additional Task Area*

#### **Pot Fillers**

- Inspired by professional chefs
- Installed above or next to your stovetop
- Mount to counter or wall
- Perfect for the serious home chef

#### **Bar**

- Reduced size coordinates with prep and bar sinks
- Simplifies food prep
- Makes entertaining easier

#### **Beverage**

- Dispense filtered drinking water
- Adds convenience to the kitchen

## FUNCTION

Helping you work faster and easier in the kitchen, our faucets include innovative features. Choose the functions that complement how you prep, cook, and clean in the kitchen.

### *The KOHLER Advantage*

Innovative designs and technologies, that's the KOHLER advantage. Magnetic docking, sprayfaces that withstand mineral buildup, and effortless hose control provide functional versatility.

#### **DockNetik**

DockNetik is a magnetic docking system located within the spout that securely locks the pull-down sprayhead into place.

#### **ProMotion**

ProMotion technology combines a braided hose with a swiveling ball joint that won't kink or tangle for effortless sprayhead control.

#### **MasterClean**

The MasterClean sprayface withstands mineral buildup and wipes clean with a wet cloth.

#### **Switch-Grip**

The innovative Switch-Grip sprayhead rotates in 90-degree increments, allowing you to set the spray button exactly where you prefer it—to the left, right, front, or back. This innovation adds versatility when tackling tough kitchen tasks.

### *Sprays*

Kohler offers one of the largest selections of faucet sprays, each designed with thoughtful technology to stay on task for years. Sprays help streamline kitchen tasks, quickly fill large pots with water, gently clean delicate fruits, and sweep dirty dishes clean.

#### **BerrySoft**

Delicate fruits deserve a gentle touch. BerrySoft is a light spray that gently rinses produce.

#### **Sweep**

Sweep your sink and dishes clean with Sweep spray's wide, powerful blade of water.

#### **Boost**

With the touch of a button, Boost technology will increase your faucet's water flow by 30 percent.

#### **Ring**

Great for everyday cleaning tasks, ring spray offers a precise and powerful flow of water.

#### **Stream**

This option provides a full, aerated stream of water that's great for quickly filling large pots.

## KOHLER KONNECT®

KOHLER® Konnect voice-enabled technology transforms your kitchen faucet into your own personal assistant. Just say the words to turn the water on, fill pots, and dispense measured pours without fear of spillage. Use the KOHLER Konnect smartphone app to control your preferences and even monitor water usage. Enjoy having the power to personalize your kitchen routine and create an experience as unique as you.

- Touchless on/off operation
- Measured volume command
- LED indicator light
- Set preferences for KOHLER Konnect
- Discover and choose preset modes
- Customize additional settings exclusive to the app
- Stay informed about your product's water usage and energy efficiency

## RESPONSE® TOUCHLESS TECHNOLOGY

Response touchless technology responds to your every move to ensure that prepping, cleaning, and cooking all go more smoothly. No false activations, no interruptions from your daily routine. Simply wave a hand, utensil, or dish through the sensor window for reliable on and off operation so you don't have to worry about germs spreading to the rest of the kitchen.

- LED indicator light lets you know it's operational and ready to go
- The sensor window at the underside of the spout responds within milliseconds
- Automatically shuts off after four minutes of inactivity
- AC-powered; no need to replace batteries
- Temperature may be adjusted simply by moving the handle—no need to adjust anything beneath the counter

## WATER FILTRATION

### *Aquifer® Water Filtration Systems*

KOHLER® water filtration products effectively reduce harmful chemicals and contaminants to ensure your water is clean down to the last drop. Select a filtration or purification system that can meet your household's daily water needs and activity schedule.

- Aquifer carbon-block filter media is made out of ground coconut shells, making it more sustainable
- Aquifer+ purification system reduces bacteria, virus, lead, chlorine, and much more
- Aquifer systems are ideally suited for beverage faucets like the KOHLER Wellspring® faucet, and our Aquifer double-cartridge system is compatible with any kitchen or bathroom faucet
- Aquifer filtration systems effectively reduce harmful chemicals and contaminants, including lead, mercury, chlorine, PFOA/PFOS, pharmaceuticals, bacteria, viruses, and more

We make it easy to recycle your used cartridges. Visit [KOHLER.com/Filtration](https://www.kohler.com/Filtration) and the **Recycle Your Cartridge** section provides all the details. (Available only in the continental United States.)

## FINISHES

Choose a finish that complements other metals in the room or one that makes its own bold style statement. Find a range of beautiful finishes for any kitchen design.

### *KOHLER Finishes*

We offer one of the largest selections of faucet finishes—from warm, brushed tones to brilliant, polished hues. As tough as they are beautiful, each one resists corrosion twice as well as the industry standard.

- Vibrant® faucet finishes are created using Physical Vapor Deposition (PVD) to bond the finish and faucet together at the molecular level. This process creates an incredibly strong surface that's scratch- and tarnish-resistant.

KITCHEN FAUCETS

# PULL-DOWN

Pull-down faucets bring an instant upgrade to the kitchen workspace. Featuring a generous spout height to make working within the sink easier, they offer multiple spray options to make light work of daily kitchen tasks. Many pull-down faucets are also available in touchless models for even more convenience and versatility.
