DELIGHT IN DETAIL

The Composed™ faucet collection by Kohler is a design stripped of nonessential flourishes. Composed embodies simplicity. Clean. Classic. Quietly confident. It exemplifies refinement among KOHLER® products as it forms an original composition that is at once unique yet comfortably familiar.

Timeless and deliberate, the Composed™ faucet embodies the beautifully understated elements of minimalist design. By eliminating unnecessary details, the Composed faucet was designed to elicit an emotional response with its stark beauty.

SINGLE-HANDLE FAUCETS
