*California Title 24 compliant and meets JA8 2016 standards

Amazon Alexa
 Alexa lives in the cloud, so it's always getting smarter, adding new capabilities that are delivered to your device automatically.

Compatible with KOHLER Konnect
 With KOHLER Konnect™ featuring voice-enabled technology, your shower, bathtub, toilet, mirror and faucet are finally all connected—to you and each other.

Enjoy a Hands-Free Routine
 Use the functionality of voice control without adding extra clutter to your bathroom. You can brighten or dim your mirror lights, or add items to your shopping list, all without ever lifting a finger.

Manual Controls
 Adjust volume or brightness with convenient manual controls.

Embedded Speakers
 Hermetically sealed speakers deliver high-quality sound with perfect clarity.

Music Streaming
 Ask to hear your favorite playlist or get a news or weather reports and enjoy a more entertaining routine.

Nighttime Task Lighting
 An automatic motion-sensing task light ensures your nighttime trips can be easier to navigate and less disruptive.

Mirror Sizes
 Height—33"
Width—24", 34" or 40"

Better Light. Better You.®

Verdera. Lighted Mirrors & Medicine Cabinets

Verdera® Lighted Mirrors & Medicine Cabinets

Verdera lighted mirrors and medicine cabinets provide even, optimally bright light, eliminating harsh shadows and hot spots. The addition of a dimmer switch allows for even more control over your lighting and the mood of the room. If your daily routine includes primping, plucking, shaving, brushing or applying makeup, install a Verdera lighted mirror or medicine cabinet and see yourself in a whole new light.

*California Title 24 compliant and meets JA8 2016 standards

Standard Lighting

Verdera Lighting

The Difference Is Clear

Verdera lighted mirrors and medicine cabinets dramatically improve your lighting experience in order to maximize visibility in your space.

Installation Options

Medicine cabinets can be surface-mounted or recessed. (Instructions and hardware are included.)

Standard Sizes

Available in 30" medicine cabinet or 33" mirror height with width options of 20", 24", 34" or 40"
Note: Mirror not offered in 20"

Dimmable

Add an LED dimmer switch and adjust the light to be as dim or bright as you need it—dimmer switches can be installed near the mirror or on the wall.*

*Verdera is compatible with most dimmer switches. Purchase separately to complement your bathroom design.

Optimally Bright Task Lighting

Enhance dark and hot spots with even, consistent lighting. Refer to page 18 for details on lighting output.

Electrical Outlets

The medicine cabinet includes electrical outlets for added convenience.

Pivoting Side Mirrors

Direct the light where you need it most with adjustable mirrors on 34" and 40" models.

THE BOLD LOOK OF **KOHLER**®

More Storage, Less Clutter

Verdera® Medicine Cabinets

Verdera® Medicine Cabinets

The Verdera medicine cabinet combines an elegant fit and finish with quick, easy installation. An optional adjustable pull-out mirror makes daily grooming tasks easier than ever while a slow-close door prevents slamming. Complete your vanity set with a surround or side kit in the KOHLER® Tailored vanity collection finishes—it's the perfect match.

THE BOLD LOOK OF KOHLER.

Joining Kit

Allows you to easily combine two or more KOHLER medicine cabinets to fit your space. Sold separately.

Superior Visibility

A front mirror, inside door mirror and back panel mirror provide the ideal experience for any task.

Slow-Close Hinges

A 110-degree door swing with slow-close hinges eliminates slamming on select models.

Standard Sizes

30" height with width options of 15", 20", 24", 34" or 40".

Versatile Installation

Can easily be installed with left- or right-hand swing and works for either surface-mount or recessed installation, creating the optimal design for any space.

Magnifying Mirror

An optional vertically adjustable mirror is perfect for close-up tasks on select models

Pivoting Side Mirrors

Available on 40" models.

Surrounds and Side Kits

For surface-mount installations, complete your look with mirrored or wood side kit. Frame out your recessed medicine cabinet with a Tailored vanity collection surround. Sold Separately.

Compare & Contrast

When considering a bathroom upgrade, focus on small changes that have a big impact. Verdera® mirrors and medicine cabinets can make your daily routine more efficient, less cluttered and offer optional integrated task lighting to enhance your visibility in the styling space. Easy to install, Verdera mirrors and medicine cabinets coordinate across a variety of design styles.

Lighting Definitions

Lumens:

This unit of measurement describes the brightness and intensity of lighting.

Lumens/Watt:

Indicates the energy efficiency of a given light source.

Kelvin:

Relates to the hue of your lights; higher Kelvin values mean the hue is closer to natural sunlight.

Lux:

The measure of light at a given point that describes its intensity.

Color Rendering Index (CRI):

Quantitative measure of the ability of a light source to reveal the colors of various objects faithfully in comparison with an ideal or natural light source.
