Sprays

Sweep® Spray

Sweep spray has a wide, powerful blade of water to sweep the sink and dishes clean.

BerrySoft® Spray

Delicate fruits deserve a gentle touch.

BerrySoft is a light spray that gently washes produce.

Stream

A full, aerated stream of water is perfect for quickly filling large pots, but still gentle enough for washing hands.

Ring Spray

Great for everyday cleaning tasks, Ring spray offers a precise and powerful flow of water.

Pause

Interrupt the flow of water while extending the sprayhead to perform tasks like watering a plant or filling a coffeemaker.

Finish/color options:

Features

DockNetik®

DockNetik is a magnetic docking system located within the spout that securely locks the pull-down sprayhead into place.

MasterClean™

The MasterClean sprayface withstands mineral buildup and wipes clean with a wet cloth.

ProMotion®

Innovative technology combines a braided hose with a swiveling ball joint that won't kink or tangle for effortless sprayhead control.

Response® Touchless Technology

Response touchless technology responds to your every move to ensure that prepping, cleaning and cooking all go smoothly. No false activations, no interruptions. Simply wave a hand or utensil through the sensor window for reliable on/off operation every time.

Ceramic Disc Valves

Ceramic disc valves on two-handle faucets exceed the industry longevity standards, ensuring durability for life.

Easy Installation

Faucets come with intuitive mounting hardware, preattached supply lines and quick-connect fittings to make installation a snap.

Lasting Finishes

From warm brushed tones to brilliant polished hues, Kohler offers an array of finishes to complement any decor. Just as tough as they are beautiful, every finish resists corrosion two times the industry standard.

Guaranteed

Built to last a lifetime, KOHLER faucets are tested well beyond what the industry requires for performance and durability. From 1 million on/off cycles—about 50 years worth—to 24 hours in a saltwater spray, our faucets are made to endure. That's why all faucets that feature Vibrant PVD finishes and ceramic disc valves carry a Lifetime Limited Warranty.*

Additional accessories and faucet handle styles are available on some lines; consult the KOHLER® Faucets Price Book or visit KOHLER.com/KitchenFaucets. Faucet prices effective as of February 2017. Faucet pricing based on color or finish choice and is subject to change.

*The Lifetime Limited Warranty is good for as long as the original consumer purchaser owns his/her own home and warrants all aspects of the faucet or accessories (except gold, non-Vibrant, nonchrome finishes, which are backed Kohler's standard one-year limited warranty). KOHLER electronic faucets, valves and controls offer a five-year limited warranty. Faucets used in commercial settings carry a Kohler One-Year Limited Warranty. Other restrictions may also apply. To obtain complete warranty information, call 1-800-4-KOHLER (1-800-456-4537) or visit KOHLER.com/Warranty.

Finish options:

Features

Lasting Finishes

From warm brushed tones to brilliant polished hues, Kohler offers an array of finishes to complement any decor. Just as tough as they are beautiful, every finish resists corrosion two times the industry standard.

Guaranteed

Built to last a lifetime, KOHLER® faucets are tested well beyond what the industry requires for performance and durability. From 1 million on/off cycles—about 50 years worth—to 24 hours in a saltwater spray, our faucets are made to endure. That’s why all faucets that feature Vibrant® PVD finishes and ceramic disc valves carry a Lifetime Limited Warranty.*

Efficient Control

UltraGlide® valves eliminate more leaks than standard valves and provide KOHLER faucets with precise, effortless control over water temperature and flow.

Premium Materials

Crafted from only the finest materials, our faucets feature all-metal bodies and rock-hard ceramic disc valves to provide a lifetime of dependability. Simply operating the faucet has a polishing effect on the discs, maintaining smooth and consistent handle operation over time.

Additional accessories and faucet handle styles are available on some lines; consult the KOHLER Faucets Price Book or visit KOHLER.com/Faucets. Faucet prices effective as of February 2017. Faucet pricing based on color or finish choice and is subject to change.

*The Lifetime Limited Warranty is good for as long as the original consumer purchaser owns his/her own home and warrants all aspects of the faucet or accessories (except gold, non-Vibrant, nonchrome finishes, which are backed Kohler’s standard one-year limited warranty). KOHLER commercial settings carry a Kohler One-Year Limited Warranty. Other restrictions may also apply. To obtain complete warranty information, call 1-800-4-KOHLER (1-800-456-4537) or visit KOHLER.com/Warranty.
