Leica EZ4 Stereo microscope with 16x Eyepiece

Product #:	2942800
USD Price:	Contact Hach
Ships within 8 weeks	

The Leica EZ4 educational stereomicroscope with 4.4:1 zoom for entry level university and college courses such as biology, anatomy and chemistry provides over 20 years of bright LED illumination which saves time and cost of replacement bulbs.

7-way LED illumination system provides incident, oblique and transmitted light for high quality illumination and contrast of any application. Greenough optical system provides a 3 dimensional view of sample.

Practical, reliable and economical for school use

When used for five hours a day, the power LEDs have a service life of around 25 years and cause no maintenance costs

7- way LED illumination

Provides incident, oblique and transmitted light for high quality illumination and contrast of any application

Bright LED illumination

Saves time and cost of replacement bulbs

4.4:1 Zoom

Zoom magnification from 8X – 35X provides high resolution images

Greenough optical system

For 3D view of sample
