TRULUX™ GT Extrusion

The GT extrusion is simply the go to extrusion for most tape light applications. Featuring a medium height profile that is compatible with all Trulux tape light, the GT evenly diffuses light and eliminates most dotting making for one of the most universal extrusions available for any application.

Best suited applications:

Undercabinet, coves, architectural accent, task and ambient lighting

- Trulux RGB

TRULUX™ Universal Extrusion

A universal go to for tape light extrusion installations with multiple mounting options, the universal is just that. Allowing for recessed or surface mount applications, the universal extrusion features a slightly regressed housing that helps eliminate tape light dotting while providing a slim but sleek final appearance.

Best suited applications:

Stairs, handrails, display shelving and cases, niche and accent lighting
