

## SW800 TITAN WIRELESS PORTABLE PA SYSTEM

Control, convenience and full, rich sound—the AmpliVox TITAN has it all!

The SW800 Titan Wireless Portable PA System has been upgraded with a built-in wireless module that allows a user to stream music wirelessly from any capable audio device. The wireless capability can transmit audio music from your iPad, iPhone, or any other enabled device such as a smart phone, PC or laptop computer.

Equipped with a powerful 100 watt amplifier, with your choice of wireless microphone, wired handheld mic, and a luggage handle with wheels.

The built-in microphone storage keeps everything organized and together in a neat little package.

- 100 watt amplifier
- Digital UHF 16 channel wireless microphone receiver
- 8" bass speaker and 4" tweeter with separate speaker volume, bass and treble controls
- Rechargeable battery runs for up to 10 hours on single charge
- Rolls easily on built-in wheels
- Comfort grip locking, telescoping luggage handle
- Impact resistant polymer enclosure for durability
- Tripod mount

### WHAT CUSTOMERS ARE SAYING:

“The Titan Portable PA has given my fitness instruction an amazing boost!”

“The Titan PA helps us reach broad audiences for our fundraising efforts.”

“Astonishing sound quality and tremendous reliability”

The AmpliVox Titan Portable Wireless PA SW800 is “Brilliantly Blue” because it has a colorful blue back panel that shows off its full range of extensive capabilities; but it’s also blue because it’s now proudly made in the USA, resulting in greater innovation and quality.

“The Titan was made for ten years at an offshore location,” said AmpliVox CEO Don Roth. “We brought its manufacturing back to the U.S. in order to focus on upgrades such as improving from 16 to 96-channel wireless capability for interference-free sound. We also now have greater leverage on the product’s quality control, enabling us to extend the warranty from one to three years. The Titan joins our growing array of made-in-the-USA PA systems, lecterns, and multimedia furniture.”

"I just got my portable buddy today and must tell you guys at AmpliVox that this is by far the best PA I have ever used in the past 21 years of being an entertainer... This system has made my life so much easier."

*Todd McKinney, Hewitt, TX - Magician*

"I have loved my new portable wireless sound system purchased from AmpliVox. The company has great products and the staff are really easy to work with!"

*Gabriel Castillo, Belvidere Park District*

# MEGA HAILER & AIRVOX

## Wireless, Battery Powered, Indoor and Outdoor Portable PA Systems

The AmpliVox Mega Hailer Mobile PA System is a 50-watt, totally wireless, highly intelligible, lightweight battery powered loudspeaker system for general PA applications in areas that are not equipped with a PA. The horizontally aligned horn broadcasts crystal clear voice announcements and reinforces sound to make it louder to audiences over large wide areas. During emergencies, the battery powered design sets up quickly and allows you to broadcast emergency information even during power outages.

- Reach up to 3,000 people (5,000 with companion speaker), up to a half mile away, with our powerful 50W amp
- Heavy-duty construction for use indoors or outdoors
- Exceptional speech intelligibility
- Produces consistent tonal balance with less volume drop-off over longer distances
- Built-in carry handle and detachable shoulder strap
- Built-in USB charger for charging smartphones and tablets
