

The AN-30 is the smallest AC-powered monitor in the Anchor Audio product line and is the ultimate in extreme portability. This tiny powerhouse weighs just one and a half pounds and emits 100 dB of loud clear sound. Connect up to 2 wireless microphones and 1 wired microphone for voice projection. This expandable system lets you daisy-chain units for as much coverage as you need over time and offers flexible mounting options for stands, wall, or ceiling. The AN-30 is perfect for classrooms, AV carts, conference rooms and more.
