

For BIG SOUND you can count on, meet the S602 series Mity-Megs!

THE AMPLI VOX Power Guarantee

Interchangeable Power Source

Power up with the **Rechargeable Li-ion Battery Pack** for two times more operating time OR use standard batteries. It's your choice!

Battery Strength Indicator

Only from AmpliVox, the **Battery Indicator Lights** means you'll always know when it's time to recharge or replace the batteries.

You'll never run out of power again!

Put the Li-ion inside!

S1405 Lithium-ion Battery Pack with built in charging plug

Battery plugs directly into outlet. No charger to keep track of!

LED Charge Status Indicator and Automatic Charge Protection (stops charging when charge is complete).

Rechargeable batteries can be reused hundreds of times and last for years. And fewer batteries in landfills means a greener world for all.

S602MR Mity-Meg Plus 25 Watt Megaphone with Microphone

Durable ABS Construction

Adjustable shoulder strap*

Battery Indicator Lights mean no surprises

Detachable mic*

S602R Mity-Meg 25 Watt Megaphone

Talk, whistle and siren functions — right at your fingertips

Comfortable pistol grip handle

Easy access to battery compartment (Rechargeable Li-ion or standard batteries)

- **MITY-MEGS GO THE DISTANCE!** 25 Watts means you'll be heard up to one mile away. That's just about 15 football fields!
- **DOUBLE YOUR TALK TIME!** The Lithium-ion battery pack delivers up to two times more operating time than standard batteries.
- **BATTERY INDICATOR LIGHTS** mean you'll always know when it's time to recharge.
- **CHARGE! ANYTIME, ANYPLACE** You'll never be without your charger — it's built right into the battery! Your next charge is as close as the nearest outlet.
- **NO POWER? NO PROBLEM!** AmpliVox megaphones are designed to run on both Li-ion batteries or standard batteries.
