

Half-Mile Hailer Outdoor Portable Sound System

Project clear sound up to a half mile away!

GREAT FOR...

The Half-Mile Hailer is great for use in high noise areas and large open spaces. Use it to direct emergency crews and alert crowds in areas as large as a football field! Great for crowd control, public safety, law enforcement, athletic events, band practice, field days, outdoor marketing events, auctioneers, political campaigns, missionaries — any outdoor event.

BE HEARD ABOVE THE CROWD Built-in 50 watt amplifier projects sound up to a half mile away

GO WIDE! The weather proof horn speaker is designed to produce wide sound dispersion

GO LONG! Runs up to 200 hours on 10 "D" cell batteries (not included) or use the optional rechargeable battery pack

COMMAND ATTENTION Fingertip volume/tone controls and push button emergency siren give you fast, easy control

SW 610A and SW615A models feature a built-in 16 Channel UHF wireless receiver from 584MHz - 608MHz

SW610A WIRELESS HALF-MILE HAILER includes built-in 16-channel UHF wireless microphone receiver, wireless headset & lapel omni directional microphones & transmitter
