

# Cordless EXPLORER™

## DISPLAY CART

Engineered to go all out, all the time. The first battery-powered, all-terrain, outdoor-rated large display cart makes pinnacle communication effortless everywhere.

### Integrated, Swappable Battery Power

Bretford's 1024 Wh Lithium Iron Phosphate swappable battery lasts up to **8+ hours on a single charge**

### One Size Fits Most

VESA mounting pattern supports up to 75 in. display and up to 200 lbs.

### Safety in Transport

Large wheels and solid footprint allow for the most stable TV cart to be easily moved through standard door frames

### AVAILABLE ACCESSORIES

Soundbar Mount  
ETCHNDL-SB

Device Shelf  
ETCDS-SB

Spare Battery  
1024 Wh battery

### OUTDOOR RATED

First purpose built, outdoor equipment rated large display cart featuring an integrated IP65 LiFePO4 Battery

### BUILT TO LAST

Designed and built in the USA

### READY TO ROLL

Minimal assembly to be able to deploy quickly out of the box

### INCREDIBLE WARRANTY

Bretford Power System is backed by 3-year, 2,000 cycles warranty

**ONE SIZE FITS MOST** | VESA mounting pattern supports up to 75 in. display, up to 200 lbs.

**ULTRA SECURE MOUNT** | Provides a worry-free experience with VESA mounting pattern (100mm x 100mm to 400mm x 400mm) and allows for 0-10 degree tilt.

**ALL-TERRAIN OUTDOOR WHEELS**  
Redefining mobility with 8" Sport casters. All 4 lock, and 2 directionally lock making it easy to move over any surface.

**QUALITY CONSTRUCTION** | 2 in. Square steel tube frame laser cut, robotically welded, powder coated, and built to accessorize with sound and cameras into a mobile meeting room.

**ONBOARD POWER** | 4 GFCI Outlets in a lockable enclosure included to power your technology and stay safe from the elements.

**CABLE MANAGEMENT** | Power cords are channeled out the back of the enclosure and along the upright to stay out of view from the front.

**LiFePO4 CHEMISTRY** | The highest quality, safest, and longest lasting battery cells.

**UNIQUE BATTERY SWAP** | Capability for parallel charging and discharging, allowing for uninterrupted use.

**QUIET AND USER FRIENDLY** | Quiet operation and fuel gauge LED indicator lights.
